1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/26/2005 has been entered.

Claims 1 – 10, 12, 13, 16 – 25, 27, 28 and 31 – 45 are pending.

2. In regard to the issue referred to in paragraph 2 on page 18 of the applicant's remarks filed 10/16/05, it is noted that the supplemental amendment filed 04/20/05 has in fact been received by the office and has been placed in the file. However, that supplemental amendment was received at about the same time the Final office action was being mailed out with the result that the final office action was not responsive to the supplemental amendment.

3. In regard to the Information Disclosure statement filed 04/01/04, the applicant's remarks concerning the document identified as "Search Report – GB 0300036.1" have been noted. However, PTO records in the parent application 10/037,882 do not reflect receipt of that document. Also, the records do not indicate any Information Disclosure Statement (IDS) to have been received subsequent to July 30, 2003 in the application 10/037,882. The only IDS received in the application 10/037,882 is dated 04/03/2002 and that IDS does not reference the document identified as "Search Report – GB
